## **The sheep of Jesus are cherished beyond comprehension!**

Being completely cherished-unconditionally loved-is more than we can fully comprehend. Yet, we are! No matter what difficulties or sufferings unfold in our lives, God does not separate us from his love. Being so loved by God, we respond by living with gratitude and humility as we mirror this love to those we encounter.

## **The Vocation to love**

The deepest wound of all is that which affects the heart: the feeling that one has not been loved, that one is not precious to anyone. Many people today are wounded at heart. Each of us can do something to heal their wounds. We have hands that can make things, and minds that can understand things.

But above all we have hearts that can give life. We are not sterile people. We can give life to people who are inwardly broken. We can show them that they are important, and so bring life to them. Today, Good Shepherd Sunday, is also vocations Sunday. But all vocations are vocations to love.
