Luke 5.1-11 Isiah recounts his glorious vision of the Lord and his commissioning. Paul reminds the Corinthians of the Gospel he preached to them and lists the resurrected Jesus' appearances, culminating in his own call and conversion. In the Gospel, after preaching from Simon's fishing boat, Jesus tells him to *put out into deep water*. They catch a *great number of fish* and leads Peter, James, and John to follow Jesus.

World Day of the sick February 11

The ministry of Jesus to the sick is central to the life of the Church. February 11 (Memorial of Our Lady of Lourdes) highlights the healing ministry of the Church. It reminds us that service to the sick and suffering cannot be neglected. It recognizes the great efforts of doctors, nurses, health care institutions and pastoral care givers to restore health to those affected with illness and disease.
