As we continue to celebrate this glorious season of Easter, our readings today show us how the Resurrection was preached and made manifest to the early Church. They also indicate how Jesus' first followers were strengthened in their faith, becoming enthusiastic and faithful witnesses to the risen Lord.

The Apostles continue to speak out in the name of Jesus despite formal warnings from the Jewish authorities. John writes of the vision he had which included angels surrounding a throne and all creatures gave praise to the one who sat on the throne. In the Gospel, Jesus reveals himself once again to the disciples, while they are fishing. Jesus asks Peter three times if he loves him and tells Peter to take care of his sheep.
