## What is Pentecost?

**Pentecost**, also called **Whitsunday**, (Pentecost from Greek *pentecostē*, “50th day”), major festival in the Christian church, celebrated on the Sunday that falls on the 50th day of Easter. It commemorates the descent of the Holy Spirit on the Apostles and other disciples following the Crucifixion, Resurrection, and Ascension of Jesus Christ (Acts of the Apostles, chapter 2), and it marks the beginning of the Christian church’s mission to the world.

### Why Pentecost is so important?

The festival of Pentecost is still important to Christians today because it represents the beginning of the Christian Church. It reminds them how Jesus' promise that God would send the Holy Spirit was fulfilled.

### Dispensation To Sunday Mass

Starting on Sunday June 5, 2022 the Solemnity of Pentecost  
Therefore, to return to normal Catholic pastoral care of your lives of faith, hope, and charity and with gratitude for the decrease danger to public health caused by COVID-19, I hereby restore the Sunday Obligation for Catholics starting Sunday June 5, 2022.

As has always been the cause with a “serious reason” or a “grave cause” is excused from this obligation.

Such reasons include:

- Anyone who is sick, symptomatic or recently exposed to COVID-19
- Anyone with serious health risk factors requiring them to avoid public spaces
- Anyone who cares for sick persons
- Anyone who cannot attend Mass because of frailty or old age.

Parishes in the Diocese of St. Paul will no longer be live streamed as well as the Sunday 11:00 am Mass at the cathedral.

+ Bishop Paul Terrio
